

# BEFORE SCHOOL INFORMATION

Hi Parents/Guardians and families, we wanted to share some info and reminders and ask for your help for the big return to school on Tuesday.

## **MASKS**

All students traveling on the bus should have their mask and keep it on until they sanitize their hands when they enter the building. Students should come to school with 2 masks daily. (We're providing 2 as well). They should wear one and have an extra just in case. You can send the extra in a baggie or plastic container and it will be returned home nightly for cleaning.

## **MORNING ARRIVALS**

If students are coming by bus, they will get off at the new foyer entrance. There will be adults there to help!

### **If you are dropping off your child, doors only open at 8:10**

If students are walking or being dropped off, there is a drop off zone for older kids and they will use the main entrance. For young students, parents may park and walk students to the walkway and adults will be there in both cases to help! Parents are not able to enter the building at this time.

## **BUS BUDDIES**

We will not have bus buddies this year. We have scheduled staggered dismissals with adults walking the students to their busses.

## **SOCIAL MEDIA**

If you are on Facebook, please consider joining our private group. Search EastRichmond Official and request to join. @EastRichmondEC will find us on Twitter.

## **TOYS**

Please do not send your child to school with toys that are soft, plush, or cloth.

## **RECESS AND LUNCH TIMES**

A student's classroom is their cohort and cohorts will be remaining separate throughout the day. This means students in different classes will not be together in the building or even outside at play times. When outside, cohorts stay together in the same space.

Reminder, the CAFETERIA does not open until Sept. 14<sup>th</sup>.

## **SANITIZERS**

Our school, halls and classrooms are well equipped with sanitizers. If your child has personal sanitizer please ensure it's unscented.

**The EREC staff is excited to see our students again! Our focus is on keeping everyone safe and following the rules to keep us all healthy! If you have questions, please contact your child's teacher or Administration! 😊**
