NOTES FROM THE OFFICE

We are headed into the 3rd month of school and quickly approaching our first reporting period. Now that we are well into the school year, I see students working well in their classrooms and staff members are finding creative ways to teach under our “new normal” while still being able to plan, assess, and collaborate.

Throughout the month of October, we celebrated Mi'kmaq History Month. Classroom activities highlighted elements of Mi'kmaq Heritage and school wide we shared the Honor Song and a daily fact of the day.

You will soon be hearing from teachers regarding parent teacher information. With Covid-19 Public Health Protocols still in place, our parent teacher will look different this year.

All in all, it was a very busy month. I want to thank the students and staff for doing their best to keep everyone safe and healthy and thank you to all the parents who have been keeping the lines of communication open. Remember knowledge is power and together we can make a difference 😊

DRESSING FOR THE WEATHER

We encourage parents to ensure students are coming to school prepared for outdoor recesses. P-5 students have a 15-minute and 30-minute recess

outdoors and grades 6-8 have two 15 minute breaks per day, in addition to their physical education & music classes, where they are expected or encouraged, to be outdoors. Only on the most inclement days will students be staying indoors. Hats, mitts, winter jackets, rain ponchos, snow pants and outdoor boots are recommended. Dressing in layers is best. One jump, slip or slide in the snow could make for wet, cold students.

For many of us, the outdoor time is the only time we get to take our masks off and get fresh air so we are taking advantage of every opportunity we can, to be outdoors.
